Dear Parent/Carer,

We look forward to inviting your child to Langholm Academy to formally begin S1 on August 21st 2025. Following successful transition days, we are excited to work with our new cohort of 43 pupils. As we look towards the summer holiday, we realise that there will still be some questions that arise. The QR codes below link you to the school's transition website which includes information about school uniform, school meals and school transport. There is also a link to the updated school handbook which will give further information about the school setting.

If you have further questions over the summer, please email gw08officelangholmac@ea.dumgal.sch.uk

This email address will be monitored periodically over the summer break, however, the school office will not be open on every working day. As such, it may take more than one working week to receive a reply.
