Return to School 2025

Dear Parents/Carers,

We have been delighted to welcome our pupils back to Langholm Academy, refreshed and ready to learn in the new academic year. For those who are new to our school, we have enjoyed seeing you all settle into your new school routines and look forward to getting to know you over the coming months.

To enable parents and carers to support pupils' learning at home, we have linked below Termly Curriculum Information Booklets, outlining the coverage of each subject this term and ways to support your pupil at home.

As with every new school year, we publish our School Improvement Plan (SIP), created taking all stakeholders views into account. Thank you for taking the time to complete the surveys we sent out last term; capturing your views is vital to ensuring we are continually striving to make Langholm Academy an excellent school for your pupils to attend. I have linked the SIP below:

Please also see attached our Standards and Quality Report, which outlines the successes and areas we are working to improve over the last academic year:

As always, should you have any questions, please don't hesitate to contact us via the usual channels.

Kind Regards,

Lauren McLean
