S1 Meet the Teacher Evening

I am pleased to report our new S1 cohort have settled into Academy life exceptionally well, showing super manners, being kind and courteous to each other and trying hard in their new lessons. We recently sent out curricular information earlier this week, showing what your child is learning in each subject, and how you can support him or her at home. Please do take time to read these and work with your young people at home to support their learning.

At secondary school, there are two formal Parents' Evening per year in the BGE (S1-S3), along with four tracking and monitoring reports. Mrs Millar, our tracking and monitoring senior leader, will provide further details regarding dates; however I wanted to make you aware of the S1 Parents' Evening, which is a 'Meet the Teachers' event, on **Wednesday 17th September, 5pm – 6pm in the Academy Hall**. There will be an opportunity to visit classrooms with your pupils to meet their teachers and learn about their subjects.

We have scheduled the S1 Parents' evening during the month of September over the last 4 academic years, following feedback from parents on their preference for Parents' Evenings - as many preferred not to wait until later in the year. We hope as many of you as possible can attend.

Yours Sincerely,

Lauren McLean
