Dear Parent/Carer,

I want to start by thanking you all for your continued effort and enthusiasm with our home learning. We are continuing to see high levels of engagement right across the primary so a huge thank you to you all!

Transition

Our transition into new classes is obviously looking different this year. The nursery to Primary 1 transition has started with 'Transition Tuesday' activities being set from this week. We hope the children will enjoy engaging in these activities and it will help them and the teacher to get to know each other a bit more.

Over the next few weeks, Primary 7 will have the opportunity to engage with some online transition activities which are to be set by the academy. More information will follow.

Uniform

We have had a few parents contact us about ordering school uniform. Uniform items can be ordered directly from:

<https://www.border-embroideries.co.uk/schools/langholm-primary-school.html>

Please order before 20th July to be guaranteed delivery before the start of the new term. More information about our school uniform and this link is also on our school website under School information > General information > School Uniform.

Reports

School reports for children from Nursery to Primary 7 will be sent out via email on Monday 25th May. Should we have any technical issues sending them, we will send a group call to let you know. There will be a letter attached with reply slip, we would appreciate it if you could return these to us, via email.

Maternity Leave

As you may be aware, Mrs Stevenson is expecting a baby. Her last day working will be Thursday 4th June. After this date, Miss Smith will take over teaching of the class. Miss Smith already sets work for a Thursday afternoon and Friday so this will allow for continuity. We wish Mrs Stevenson all the best and look forward to hearing the happy news when the baby is born.
