

HWB

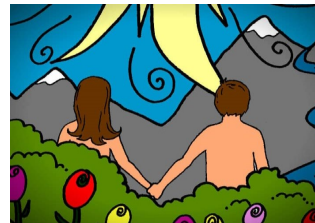

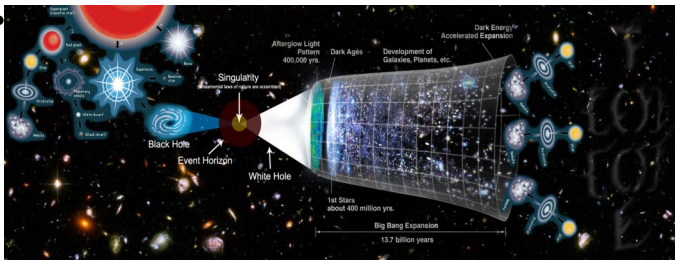

- Work collaboratively to produce a presentation about the unit that you could deliver to P7 pupils.
- Perform a speech explaining how learning about ultimate questions can help us in the workplace.

Numeracy

- Considering scale and using appropriate forms of measurement, create a map of our solar system
- Take a survey of your Wellbeing class on their views on the origins of the universe and present your findings in 2 different ways
- Create a time line of the scientific view of the origin of the universe.

Literacy

- Interview a member of your family about their beliefs about the origins of the universe
- Write a 5-10 question quiz about 'religious views on the origins of the universe'
- Identify one problem with the belief that God created the universe and one problem with the Big Bang theory.
- Watch a film about creation or the universe, rate it and write a synopsis.

Get creative

- A board game about the universe
- A model of the universe
- A film about one creation story
- A poster with images that represent 6 different explanations of creation

S1 RME 'Ultimate Questions' Homework sheet
