

# Literacy

This term P1s will start learning the first 42 sounds of the English language, following the Jolly Phonics programme.

These sounds include: 's, a, t, p, i, n, ck, e, h, r, m, d'.

P2s will revisit learnt sounds and digraphs such as 'th, ou, oi, ai, ue' as well as learning new sounds to build up reading and writing skills.

The Jelly and Bean reading scheme will continue this term, as well as whole class stories to build listening and talking skills

# Numeracy

Our numeracy focus this term is initial number knowledge and number processes.

P1s will begin this term looking at structuring and forming numbers from 0-10. We will do this using a mix of concrete and written materials, as well as applying our number knowledge in play.

P2s will build upon addition and subtraction processes learnt in P1 and look at numbers to 200.

On Tuesdays the whole class will look at 2D and 3D shape with Miss Donaldson.

## P1/2 Term 1

## Overview

### Topic and IDL

Our topic we will be exploring this term is sea animals and life under the sea. This will be linked through play in the classroom. We will also explore child-initiated themes in the class based on pupil interests.

We will link this to our development of other curricular areas, such as the sciences. This will be evidenced throughout our play and learning.

### RME

This term the P1/2 class will explore Sikhism with Miss Donaldson on a Tuesday afternoon,

### HWB and PE

During our health and wellbeing lessons we will continue looking at our feelings and emotions as we ease into the new school year. We will have a look at food and Fairtrade as part of the Fairtrade fortnight. We will consider our rights as we build our class charter.

We will do PE on Wednesdays with Miss Donaldson and Fridays with Miss Lane. We will explore team games, fitness and working together,
